BeneFusion SP3/VP3 Vet

SP3 Vet Syringe Pump

Friendliness

- Compact and light, easy to carry and mount it
- One-hand operation and intuitive keypad
- Durable battery for emergency and patient transfer

Safety

- High accuracy $\leq \pm 2\%$ that is suitable for the use of small animals
- Fast-start function against start delay to ensure timely infusions
- Dynamic pressure display predicts occlusions in advance
- Anti-bolus function protects animal safety by releasing the pressure when an occlusion occurs

Connectivity

- WiFi connection available
- Supports dock mounting

BeneFusion SP1/VP1 Vet

SP1 Vet Syringe Pump

Friendliness

- Compact and light, easy to carry and mount it
- One-hand operation and intuitive keypad
- Durable battery for emergency and patient transfer

Safety

- High accuracy $\leq \pm 2\%$ that is suitable for the use of small animals
- Fast-start function against start delay to ensure timely infusions
- Dynamic pressure display predicts occlusions in advance
- Anti-bolus function protects animal safety by releasing the pressure when an occlusion occurs

Connectivity

- WiFi connection available
- Supports dock mounting

VP3 Vet Infusion Pump

Friendliness

- Compact and light, easy to carry and mount it
- Durable battery for emergency and patient transfer
- Large screen with intuitive operation

Safety

- Dynamic pressure display predicts occlusions in advance
- Anti-bolus function protects animal safety by releasing the pressure when an occlusion occurs
- Highly sensitive detectors:
 - air sensors minimum 20 μ L
 - pressure sensors minimum 75mmHg
- Sequential mode supports multiple infusions (piggyback)

Connectivity

- WiFi connection available
- Supports dock mounting

VP1 Vet Infusion Pump

Friendliness

- Compact and light, easy to carry and mount it
- Durable battery for emergency and patient transfer
- Easy to operate and install IV sets

Safety

- Dynamic pressure display predicts occlusions in advance
- Highly sensitive air bubble detection: minimum 50 μ L
- IP34 Protection

Connectivity

- WiFi connection available
- Supports dock mounting
